Grade Specific Needs:

6th Grade: 1 RED 1 inch binder (Clear-view outside pockets not required) **DO NOT PUT STUDENT NAME ON THIS!!!!**

7th Grade: 1 BLUE 1 inch binder (Clear-view outside pockets not required) **DO NOT PUT STUDENT NAME ON THIS!!!!**

8th Grade: TI-84 Graphing Calculator HIGHLY recommended
 *Graphing calculators are now allowed to be used on the 8th grade STAAR Math test and are used almost every day during math class. They will also be used in future math classes throughout high school. If purchasing is not an option, there is a limited number available for use at school. The school calculators are not allowed to be taken from the classroom.
