Transportation

August 28, 2018

To Whom It May Concern:

Holland ISD will have three daily routes with afternoon routes also being provided after ACE. We will continue to make pick-up and drop-off decisions that provide the safest situation for the students and bus. Please read the following pages that explain some expectations associated with the Bus, sign and then return page two.

There are times emergencies arise and create a need to speak to someone with regards to transportation concerns. Holland ISD has several numbers that can be used when needed. Please use this list of numbers to aid in reaching someone that will hopefully be able to help.
